

__emu_mm_permute_pd

```
graph LR; A[__emu_mm_permute_pd] --> B[__EMU_M256_ALIGN]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text `__emu_mm_permute_pd`. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `__EMU_M256_ALIGN`. Both boxes have a black border.
