

rstm/rstm-dev/stamp  
-0.9.10/lib/memory.h

```
graph TD; A["rstm/rstm-dev/stamp<br>-0.9.10/lib/memory.h"] --> B["stddef.h"]; A --> C["types.h"]
```

The diagram illustrates a file path at the top, which then branches into two arrows pointing to two separate header files below. The top box is shaded gray, while the bottom boxes are white with black borders.
