```
graph LR; A["stm::Object::operator delete"] --> B["stm::tx_free"]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'stm::tx\_free'. The box on the right is white and contains the text 'stm::Object::operator delete' on the top line and 'delete' on the bottom line. A dark blue arrow points from the right side of the white box to the left side of the gray box.
